Sri Guru Karunamaya
Founder

Sri Guru Karunamaya has been practising Sri Vidya and imparting life lessons for over 40 years. Under the able guidance of His Guru Sri Amrithanandanatha Saraswathi, an exponent of Sri Vidya, Sri Guru Karunamaya mastered imparting this auspicious knowledge with relevance to the modern lifestyle for everyone to experience peace and happiness.

Guru Lineage (Guru Parampara)

**Srila Sri Swaprakasanada
Theertha Avadhootha**

**Sri Amrithananda Natha
Saraswathi**

Sri Guru Karunamaya

Sri Guru Karunamaya's sacred Guru parampara starts with Lord Shiva who imparted the knowledge of Sri Vidya to Lord Dattatreya, who is revered as AADI GURU. Srila Sri Swaprakasanada Theertha Avadhootha who belongs to this monastic movement initiated Sri Amrithananda Natha Saraswathi. Sri Guru Karunamaya was blessed with Poornadeeksha by Sri Amrithananda Natha Saraswathi.

To impart this sacred vidya to the present generations, Sri Guru Karunamaya founded Sri Vidya Learning Centre (SVLC) in 2000. Through this organization Guruji aims to spread this sacred vidya all over the world across the masses irrespective of caste, creed and religion. To this respect, we have worked hard to simplify the essence of powerful Vedic rituals and made them accessible to all the seekers.

OUR WORKSHOPS TO TRANSFORM LIVES

SVLC conducts regular workshops on essential life skills for people of all areas and from every walk of life. Regular practice of Sri Vidya has proven to have these effects:

- ❖ Positive thinking & self confidence
- ❖ Helps individuals to lead a value based life of freedom with discipline
- ❖ Blending spiritual practices in mundane life
- ❖ Techniques to enjoy a blissful life within the framework of daily responsibilities
- ❖ Provide remedies to enhance interpersonal relationships
- ❖ Realise the inner potential to make a complete person with unconditional love and everlasting bliss

We have specifically crafted demography specific workshops

Women Empowerment

SVLC always holds women in very high esteem and entrusts significant responsibilities to them. Through our workshops we help them:

- ❖ Build resilience & awareness in every woman to ride life's ups & downs
- ❖ Effectively manage stress & anxiety
- ❖ Enhance ability to focus
- ❖ Make themselves lead from within and become transformational leaders

Value-based lifestyle in youth and children

Through our organization we conduct customised youth workshops that help them in leading responsible and goal-oriented lives.

Children who practice these simple techniques mentioned benefit with:

- ❖ Enhanced focus at school
- ❖ Lowered stress levels
- ❖ Emotional control
- ❖ Compassion and self-esteem
- ❖ Higher confidence

COMMUNITY SERVICE

One of the main projects of Sri Vidya Learning Centre is helping the poor and needy. As a part of the programme, the following help is being extended in specific needy cases:

- ❖ Purchase of equipment like boats, sewing machines, etc. for financial empowerment
- ❖ Help in payment of school/college fees for continuing education
- ❖ Financial aid for medical treatment in critical cases
- ❖ Financial help for conducting marriage of female child to deserving families
- ❖ Serving of food for needy particularly to the student community
- ❖ Donating computers for deserving & needy students

This is just the beginning. The saga should continue with the help of many philanthropists and spiritual seekers.

Long term objective of Sri Vidya Learning Centre is to establish a permanent place of solitude for seekers where they can learn life skills through ancient auspicious knowledge, practise and rejuvenate their energies in a supportive and congenial environment.
